AUTHORITY	:	NO. 1394

STIPULATION TO EXTEND DEADLINE FOR CLASS NOTICE

1. By Order of December 11, 2019, the Court set January 15, 2020 as the date by which class notice must be mailed and otherwise directed to class members.
2. After the December 11 Order, the parties agreed that mediation may resolve some, if not all, remaining factual and legal matters pending in this action, subject to subsequent court approval.
3. In the event that the mediation is successful, only one notice to the class will be required. That notice will advise class members that the class has been certified, and that a tentative settlement has been reached.
4. Publishing one class notice, rather than two, will save the class money.

5. The parties expect that mediation can occur and be resolved – one way or the other – in the next 60 days.

6. The parties do not expect that any other deadlines should be changed from their current scheduling.

WHEREFORE the parties jointly request the Court to extend the deadline for class notice from its present date of January 15, 2020, to March 16, 2020.

Respectfully submitted:
